

HOPKINTON MAIN STREET CORRIDOR PROJECT

CONSTRUCTION ADVISORY

MassDOT Project Number: 606043

Construction Advisory No. 33 - UPDATED

July 8, 2022

Please be advised that this schedule may change due to weather conditions and existing conditions found while performing the tasks below. This work may impact traffic and require lane and sidewalk closures limiting access to driveways and entrances to businesses.

Saturday, June 9, Work Notice

- AF Amorello will work on Saturday, July 9th between the hours of 8am and 4pm.
- Work will take place on Wood Street at the intersection of Wood and Main, on Main Street, between Wood and Pleasant, and on Main Street between the Fire Station and Pleasant Street.
- One lane of alternating traffic may be required at times. Two lanes of traffic will be maintained when possible.
- The following detours may be utilized:
 1. Eastbound Main Street traffic will be detoured onto Pleasant Street, to Maple Street, to Grove Street and back onto Main Street
 2. Southbound traffic on Wood Street will be detoured onto Elm Street, to Lumber Street Extension, and back onto Main Street.

What to Expect for the Week of July 11, 2022 to July 15, 2022 - UPDATED

- Continue roadway reconstruction between the Fire Station and the Wood Street intersection - a single lane of alternating traffic will be used as needed and eastbound traffic will be detoured from Main Street to Pleasant Street to Hayden Rowe.
- During the eastbound detour Walcott St. will be open to two-way traffic to allow access via Cedar Street. Main Street will be opened at the end of the day to at least one lane of alternating traffic. At that time Walcott Street will revert to one-way traffic.
- Continue work on Verizon conduit from Church Street moving westbound towards the 135/85 intersection. Eastbound traffic will be detoured via the above mentioned Main Street to Pleasant Street to Hayden Rowe detour.
- Continue work on wall at 15/17 Main Street.
- Continue work on Concrete Retaining Wall in CVS parking lot area.
