Come join us for a fun night at the Hopkins School 5th grade Talent Show. The show is being put on by 5th graders and features 30 exciting acts including magic, hula hooping, comedy and more! The proceeds will benefit The Hopkins School Community Garden and Bay Head Elementary School.

Hopkins is working to build a community garden that will be part of the program of study for all kids in 4th and 5th grade and we need your help to make it happen! Bay Head Elementary School in NJ was devastated by Superstorm Sandy. We will be donating money to help them replace the cafeteria and gym, as well as materials and equipment.

Admission is \$5 per person. Tickets will be available online at www.hptaonline.com. Ticket Booth will be open at 6:30pm for same day purchase. Fifth grade students will be selling concessions before the show and at intermission. Come and have fun!!
